

Findley Websites — Content Requiring Update

Reuben Broadfoot · Reviewed August 10, 2026 · reuben@radost.us

Scope. Both sites reviewed page by page on August 10, 2026. **PTO** = findleypto.com · **SCHOOL** = findley.beaverton.k12.or.us. Modified dates for PTO pages come from the site's own page metadata. Each item is listed once, in the section matching the work needed. **Every path in the Page column is a live link** — click it to open the page described.

1. Incorrect information currently published — 17 items

Content that is factually wrong or self-contradicting as published today.

SITE	PAGE	ITEM
1 SCHOOL	Meals /families/meals	Describes COVID-era curbside service: "All school sites will be offering Grab-n-Go type meals from 11:00-12:00, Tuesday and Thursday" and "All children, ages 1 through 18 years, are eligible." Replace with current in-school meal service, SchoolCafé, and pricing.
2 SCHOOL	Kindergarten Orientation /about-us/kindergarten-orientation	States a staggered full-day start: "A - L will start on the 27th of August," "M-Z will start on the 28th of August," "All kindys will attend on the 31st of August." Emails sent to families in August 2026 confirm a different arrangement — a half-day start split by last name across August 25-28, matching the "Kindy 1st week schedule" entry on the school calendar. As written, the page will send families on the wrong day.
3 PTO	Fall Festival /findley-fall-festival/	States the event is Thursday, October 24, 2024. The 2025 event was October 30, 2025.
4 PTO	5th Grade Celebration /5th-grade-celebration-events-opportunities/	States the celebration is Wednesday, June 12, 2024.
5 PTO	Book Fair /volunteering/book-fair/	States April 12–25, 2024. The 2025 fair ran April 23–30, 2025.
6 PTO	AmazonSmile /fundraising/amazonsmile/	Directs families to shop via smile.amazon.com. Amazon discontinued AmazonSmile; the page carries no notice.
7 PTO	Box Tops Box Tops menu item → 2016 PDF	Menu item links to a 2016 clip-and-collect overview PDF. Box Tops moved to a digital app model.
8 SCHOOL	TAG (internal page) /fs/pages/10733	States "This year we will not be administering the CoGAT" and lists every testing date as TBD. District process is universal NGAT screening in grades 3, 4 and 5, targeted for completion in October.
9 SCHOOL	TAG (internal page) /fs/pages/10733	Names Terri Buckley and Kristin Antich as TAG facilitators. Neither appears in the current staff directory.

SITE	PAGE	ITEM
10 SCHOOL	Academics /academics	Names Shannon Bauck and Heidi Hanson as TAG/SUMMA contacts. Bauck is listed in the staff directory as Language Acquisition Specialist; Hanson does not appear at all.
11 SCHOOL	Academics vs. TAG /academics · /academics/talented-and-gifted-tag	Academics page says students can be tested with the ITBS Reading or Math around November. The TAG page states the ITBS is not administered. One of the two is wrong.
12 SCHOOL	Academics vs. Math /academics · /academics/math	Academics page states 4th grade uses IXL for 45 minutes of computer time per week. The Math page describes Dreambox and does not mention IXL.
13 SCHOOL	Science /academics/science	States Phase I curriculum (grades 9-12) was adopted May 2019 and Phase II (K-8) is "pending implementation," with K-5 materials still "pending recommendation." Seven years on, this cannot be current.
14 SCHOOL	OBOB /academics/obob	Gives battles beginning late January 2026 (past) while also stating registration opens September 2026. Page also contains typos: "Findely" and "5gh grade."
15 PTO	Art Literacy /art-literacy/	References the "mVP volunteer profile" step. That system was replaced by Raptor in fall 2024.
16 PTO	Passport Club /passport-club/	Lists volunteer.coordinator@findleypto.com . Every other page uses findleypto.volunteer@gmail.com . Confirm which address is monitored and standardize.
17 PTO	Findley Flyers /findley-flyers/ · /findley-flyers/-frequently-asked-questions/	Thursday after-school time given as 2:50–3:20 pm on the main page and 3:10–3:40 pm on the FAQ page.

2. Broken links, empty pages and duplicates — 17 items

Structural defects independent of content age.

SITE	PAGE	ITEM
1 PTO	Board roster /about-us/current-pto/	The "Findley Committee Positions" link points to /volunteering/open-positions/ , which returns a 404. Verified August 10, 2026. The page it should point to appears to be /volunteering/sign-ups/ ("Volunteer Sign-Ups — Jobs; Committees; Open Positions"), which loads normally.
2 PTO	Findley Dine Out /fundraising/dinner-nights-out/	Heading and subtitle only. No restaurants, dates, times or percentages.
3 PTO	Volunteer Orientation /volunteering/volunteer-orientation/	Page body reads "Please check back for more information." The volunteering index links orientation to a PDF at /wp-content/uploads/2019/05/Volunteer-Orientation instead — a file predating the Raptor system.

SITE	PAGE	ITEM
4 PTO	Two placeholder pages /about-us/pto-new-page-1/ · /pto-new-page-2/	Empty pages created April 8, 2026. Publish or delete.
5 PTO	Duplicate Book Fair /volunteering/book-fair/ · /book-fair/	Two Book Fair pages with different content. Consolidate and redirect.
6 PTO	Nike matching funds /fundraising/company-matching-funds/nike-matching-funds/	Page states "This page is under construction."
7 PTO	Dragon Dash /fundraising/dragon-dash/	Instructs families: "Go to http://pledgestar.com/findley — Click 'Not Registered for this Event?'" That address fails with a redirect loop on http and https, and /findley/index.php returns 403. Verified August 10, 2026. The donation route published on the site does not work.
8 PTO	Cub Scouts links to pack718.net · working site pack718.com	pack718.net returns HTTP 500 on every request, with and without www. The pack's working site is pack718.com, which names Findley as its meeting location.
9 PTO	Board roster /about-us/current-pto/	The link presented as a Vice President application opens a Google Form titled "PTO Board and Activities 2025 - 2026" — a general interest form for the prior school year, not a VP application.
10 PTO	Art Literacy site sites.google.com/site/artlitfindley/calendar	The page linked as "Calendar" is the Art Cart booking sheet used by teachers to reserve the shared cart, not a calendar of Art Literacy lessons. Labelled for 2025/2026.
11 PTO	Reimbursement form /reimbursement/	The linked Google Form is access-restricted and returns HTTP 401 to anyone not signed in to a permitted account. Parents cannot open it. Same issue on the yearbook volunteer form linked from /yearbook/.
12 PTO	Orphaned page /home/	Publicly reachable page carrying the 2014-2015 meeting schedule and referencing HelpCounter, a system replaced twice since. Delete or redirect.
13 PTO	Orphaned page /pto/	Publicly reachable May 2018 post. Delete or redirect.
14 PTO	XML sitemap /wp-sitemap.xml	Returns HTTP 200 with valid XML but an empty <urlset> — zero URLs. The child sitemap /wp-sitemap-posts-page-1.xml returns 404, and /sitemap_index.xml also 404s. Search engines have no index to crawl.
15 SCHOOL	Social Emotional Learning /academics/social-emotional-learning	Entire page body is one sentence pointing to an external site. The link resolves to sites.google.com/beaverton.k12.or.us/site-map/home, which is not an SEL page.

	SITE	PAGE	ITEM
16	SCHOOL	Before/After School Activities /activities/before-after-school-activities	No Findley content. District template text only, with no programs, providers, costs or registration information.
17	SCHOOL	School Hours / Bell Schedule /about-us/school-hours	Published as an image with no text equivalent. Not readable by screen readers, search, or translation tools. Same applies to the drop-off and pick-up maps.

Method. Every page on both sites was opened and read on August 10, 2026. Modified dates for findleypto.com come from the site's own page metadata rather than from inference. Items flagged as 404s, empty, or contradictory were confirmed against the live pages the same day. Every outbound link referenced here was individually fetched and its response recorded. Two items are listed twice where they belong in more than one section, and both are marked as such. Reviewed with the assistance of Claude as part of my own review of the sites.
